Arizona Corporation Commission  
**DOCKETED**

OCT 20 2004

DOCKETED BY

CAR

MOTION FOR MODIFICATION OF ORDER CONDITION

BCE Nexxia Corporation ("BCE"), by its undersigned counsel, hereby moves the Arizona Corporation Commission ("Commission") to modify a condition contained in the above-captioned Opinion and Order ("Order") granting BCE authority to operate in Arizona, dated July 12, 2004.<sup>1</sup> Specifically, BCE requests the Commission remove the condition that BCE procure an Interconnection Agreement unless it provides services solely through the use of its own facilities.<sup>2</sup>

BCE believes that the condition was improperly included in the Order due to a misunderstanding of the term "interconnection agreement". BCE testified that it intends to enter into interconnection agreements for access facilities to be used in terminating and originating traffic to large customers for data service needs.<sup>3</sup> In fact, BCE intends to enter into service agreements, not interconnection agreements, with other carriers in Arizona in order to provide

<sup>1</sup> See *In Re Application of BCE Nexxia Corporation for a Certificate of Convenience and Necessity to Provide Facilities-Based Interexchange Telecommunications Services in Arizona and for Competitive Classification of its Services, Opinion and Order*, Dkt. No. T-04200A-03-0550, Decision No. 67113 (July 12, 2004).

<sup>2</sup> See Order at ¶ 16, subsection (a).

<sup>3</sup> Order at ¶ 14.

1 customers access to the BCE network. Due to the BCE's use of the term "interconnection  
2 agreement", the Commission included in its Order a requirement that BCE enter into an  
3 Interconnection Agreement and file such Agreement with the Commission. As an IXC, BCE  
4 neither needs nor desires to enter into any such agreements in order to provide services to  
5 customers in Arizona.

6 Further, it is BCE's understanding that the condition that BCE enter into an  
7 Interconnection Agreement is not normally a condition contained in authorizations for facilities-  
8 based IXC carriers. As such, there is no detriment to the public interest if the Commission grants  
9 this motion. In fact, BCE only requests to be treated similarly as other facilities-based IXCs  
10 operating in Arizona.

11 Lastly, BCE has conferred with Commission Staff regarding this motion, and has been  
12 advised that Staff has no objection to this motion.

13 WHEREFORE, BCE respectfully requests that the Commission grant this motion and  
14 remove the condition requiring BCE to enter into an Interconnection Agreement before being  
15 allowed to offer facilities-based IXC services within the State of Arizona.

16 RESPECTFULLY SUBMITTED this 20<sup>th</sup> day of October, 2004

17 BCE Nexxia Corporation
